CISA, FBI, and NSA Release Joint Cybersecurity Advisory on BlackMatter Ransomware

CISA, the Federal Bureau of Investigation (FBI), and the National Security Agency (NSA) have released joint Cybersecurity Advisory (CSA): [BlackMatter Ransomware](#).

Since July 2021, malicious cyber actors have used BlackMatter ransomware to target multiple U.S. critical infrastructure entities, including a U.S. Food and Agriculture Sector organization. Using an analyzed sample of BlackMatter ransomware and information from trusted third parties, this CSA provides cyber actor tactics, techniques, and procedures and outlines mitigations to improve ransomware protection, detection, and response.

Experts: Remote Work Should Be The Future Of Government

Government became more virtual during the COVID-19 pandemic. And that's how things might stay, as remote capabilities have opened up new possibilities for innovation and change, according to experts at the Smart Cities Connect Conference and Expo yesterday.
